| 1 package Oreo cookies | |
| 8 ounces softened cream cheese | |
| Wilton Chocolate Pro Fountain Chocolate | |
| Candy heart sprinkles | |
| lollipop sticks | |
| 2" heart shaped candy containers | |

LET'S MAKE IT!

In food processor, grind up cookies then transfer to a bowl.

Add cream cheese and mix BY HAND until it's the consistency of PlayDoh.

Press into bottom half of a heart-shaped candy container. Top should be level.

Un-mold and refrigerate 10 minutes before dipping.

In a small, deep bowl, microwave fountain chocolate in 30 seconds increments, stirring in between, until melted.

Dip one end of a lollipop stick into melted chocolate and insert 1/2 way into heart. Dip heart into bowl of chocolate to coat, allowing excess to drip off.

Quickly press heart(s) onto front of Heart Pop.

Poke lollipop stick into a styrofoam block to dry.
